Re: Permit Fee, Ebony & Ivory #1, S/027/057, Millard County, Utah

Dear Mr. Mullard:

This letter is in response to your fax received October 29, 1999, and your statement regarding payment of the \$200.00 permit fee for your Ebony and Ivory #1 small mining project. As I explained to you on the phone the other day, this permit fee is due until you gain release from the BLM for your reclamation responsibility. This project is located on BLM managed lands, and we cannot close our files until authorized by the BLM to do so. Therefore, if you choose not to pay the fee requested we will have to turn this over to the State Collections.

If there are any other questions please call me at (801) 538-5321 or my supervisor, D. Wayne Hedberg at 538-5286.

Sincerely,

Tom Munson  
Senior Reclamation Specialist
